Dear [redacted]

STAT

Your letter of 3 October 1984 to Mr. John N. McMahon, our Deputy Director, concerning [redacted] interest in a co-op study program has been referred to me for consideration and reply.

STAT

I am enclosing a flier that describes our summer Graduate Studies Program. As mentioned in the flier, one must be committed to enter graduate school the fall following their internship to be eligible for this program. Also, the deadline for receipt of all applications is 16 November. This early cutoff date is necessary to allow sufficient time for security and medical processing.

I hope the information I have provided will be useful and you may be sure that you will receive every consideration should you apply for a position.

Sincerely,

Robert W. Magee
